REGIONAL SITUATION ROOM
OF THE CENTER FOR EMERGENCY SITUATIONS AND DISASTER RISK REDUCTION

The legal framework for the establishment of the Regional Situation Room is regulated by the Regulation on the Regional Coordination Mechanism for Emergency Response, approved by the Decision of the Regional Forum-Meeting of the Heads of Emergency Authorities of Central Asian Countries

REGIONAL SITUATION ROOM
OF THE CENTER FOR EMERGENCY SITUATIONS AND DISASTER RISK REDUCTION

1. **Regional Situation Room** - established by the Center for Emergency Situations and Disaster Risk Reduction with the assistance of UN Agencies, Red Cross and Red Crescent Movement Organizations, and other key participants, operating in the field of emergency response in the Central Asian region.
2. **Regional Situation Room** - is a basic technically equipped situation room designed to provide technical support and assistance in ensuring operational informational, analytical and documentation activities of **the Regional Coordination Group** (Center for Emergency Situations and Disaster Risk Reduction, UN Agencies, Red Cross and Red Crescent Movement Organizations, and other key participants, operating in the field of emergency response in the Central Asian region).
3. **Regional Situation Room** - equipped and located in the office of the Center for Emergency Situations and Disaster Risk Reduction and is equipped with a modern information and communication system for receiving, collecting, storing and transmitting printed, audio and video information in real time, as well as international communications, high-speed Internet, an autonomous source power supply, necessary office equipment, office equipment, furniture and other equipment.
